OUR PURPOSE:

Emancipet is on a mission to make spay/neuter services and veterinary care affordable and accessible to ALL pet owners. We manage an expanding national network of low-cost veterinary clinics and advocate for strategies and public policies that improve the lives of pets in underserved communities.

We do this because we love pets, and we know that they bring immeasurable joy to our lives and teach us about love, acceptance, and happiness.

We want to help keep pet families healthy, happy, and TOGETHER, where they belong.
