

EMANCIPET  
LOW COST. BIG HEART.

✧ *Reach for the Stars Gala*  
*Table Host Benefits* ✨

*Join Us!*

*We're celebrating 23 years of helping  
people and their pets.*

Join us for a fun evening under the stars as we share our progress towards the BOLD GOAL we announced in 2019: that by 2028 everyone in the United States will have access to veterinary care they can afford.

Pets are family. Unfortunately, many are unable to give their pets the medical care they need. There are an estimated 135 million pet dogs and cats in the United States, and nearly half of them live with families who love them yet cannot access veterinary care they can afford. This is called the "access to care gap." It's also where you come in.

You can help provide critical veterinary care to Central Texas pets whose families cannot afford the rising costs of veterinary care. This gala is our largest fundraising event in Central Texas. The funds raised go directly to providing quality medical care to pets in need. This year alone, we will provide essential medical care to over 75,000 pet patients in the Austin area, and we can't do this without your support.

# *Reach for the Stars Gala*

The entire Emancipet team and our fabulous Gala Chairs, Missy and Jeff Nichols, are thrilled to be hosting our first in-person gala in Austin since 2019! We've got so much to share about how we're tackling the **BOLD GOAL** we announced in 2019! Plus: a fabulous farm-to-table vegetarian meal, out-of-this-world cocktails by some of Austin's premier mixologists, a silent auction you'll be talking about for months, and some joyful, exciting surprises!

*Thursday, September 22, 2022*  
*Springdale Station, Austin, Texas*

## *About Emancipet*

Emancipet is on a mission to make veterinary care affordable and accessible to all pet owners. We own and operate an expanding national network of nonprofit veterinary clinics in Central Texas, Houston and Philadelphia.
